# INTRODUCTION

Studying in the United States is more than an academic decision—it is a life-changing milestone that opens doors to global opportunities, world-class education, and an international career path. Every year, thousands of students from Pakistan choose the USA as their dream destination due to its advanced learning environment, research-driven institutions, and unparalleled exposure.

At Fast Consultants, we specialize exclusively in USA Study Visa consultancy, guiding students from the moment they decide to study abroad until the day they land at their chosen university. This book has been designed to give students, parents, and professionals a comprehensive understanding of the process, benefits, and opportunities associated with studying in the United States.

## MD'S MESSAGE

At Fast Consultants, we believe that education has the power to transform lives. Our mission is to make international education accessible, transparent, and achievable for every deserving student. For years, we have helped students secure admissions at prestigious U.S. universities, secure scholarships, and navigate the visa process with confidence.

### **Our commitment is simple:**

To provide honest guidance, accurate information, and professional support at every stage of your journey. We look forward to helping you turn your dreams into reality and guiding you toward a successful future in the United States.

Muhammad Shahzad  
— Managing Director, Fast Consultants

## FAQs

### **When should I start my study abroad application in 2025?**

Start at least 8–12 months before your intended intake. For Fall 2026, begin by Sept–Nov 2025. Early start = better chances.

### **Which countries offer the best scholarships right now?**

USA, Germany, Canada, Turkey, and the Netherlands are offering top merit-based and need-based scholarships for 2025–26.

### **My CGPA is below 3.0. Can I still study abroad?**

Yes. Many universities value experience, motivation letters, and language scores more than CGPA. We help position you smartly.

### **Is IELTS still necessary in 2026?**

Not always. Many universities accept alternatives like Duolingo or offer waivers. It depends on your country and program.

### **Can I apply without an agent?**

You can—but a verified consultant can save you from costly mistakes, rejections, and missed deadlines. We guide + execute.
